Schmeisser Holzhacker Challenge

Shooting Range 't Mikpunt - May 18th & 19th, 2024

On May 18th & 19th, in collaboration with Schmeisser and Midarms, we are organizing the "Schmeisser Holzhacker Challenge". This 2nd edition will be even more spectacular than the previous one. Representatives from Schmeisser will be present with a Schmeisser booth. Moreover, some new products from Schmeisser, Brenner, and Messersmitt will be unveiled for the first time. There are numerous prizes to be won, and significant discounts will be offered on the purchase of Schmeisser products. A foodtruck will be available so that no one has to shoot on an empty stomach. In short, it will be another weekend full of shooting fun. The additional program is also accessible to shooters who are not participating in the Woodcutter Challenge. The weapons will be provided by Schmeisser to make it accessible to everyone and to ensure that everyone has an equal chance of winning. Additionally, each participant of the HHC will receive a Schmeisser operator t-shirt and a goodie bag (combined value €60.00).
